

Harvest Box

What is Harvest Box?

A multi farm CSA style box, containing about 6 different produce items all sourced from NCGA members. Boxes cost \$20 to the customers. We also offer add-ons, which are specialty items that customers can “add-on” to their box purchase, or purchase a la carte. This program was designed in response to the Covid pandemic to give our members an additional sales outlet and allow high risk customers to continue to access our members’ goods.

How does it work?

Megan closes ordering 3-4 days before box distribution, contacts farmers to order produce and add-on vendors to let them know what items have been ordered that week. Farmers deliver food at a predetermined time (mainly Fridays between 9-noon in Arcata for our year-round boxes). In 2022, we plan to expand distribution sites so will have alternate pick-up times and locations.

How can I sell goods for these boxes?

You can be in touch with Megan: megan@northcoastgrowersassociation.org or 914-419-0128 or fill out the bottom section of this sheet and return it with your membership paperwork.

Name and contact info: _____

What are you offering? Produce Add-on Both

When are your goods available? _____

When we have opportunities to donate boxes, would you like to be contacted to donate goods? _____

Produce:

What quantity do you generally have available for Harvest Box? (a serving is how much 2 people generally eat in a week, like 1 head of greens, 1 bunch of carrots, 1 basket of tomatoes, 2-3# fruit)

10-25 servings 25-50 servings 50-100 servings 100+ servings 200 +

**NCGA buys produce at a wholesale rate and values the item based on its market rate in order to cover our staff time and supplies. We recognize that everyone has different costs and therefore different wholesale rates.

Add-ons:

List items you would like to offer, either as add-ons or wholesale produce:

Thank you! Megan will contact you to set-up your add-on items in our online store or to begin ordering produce for Harvest Boxes
