2022 Non-Certifiable Ag Affidavit

Definition of Non-Certifiable Agricultural Products according to CDFA Direct Marketing Regulations:

Non-certifiable agricultural products include all certified agricultural products that have been processed, any products that are produced from trees, vines, or plants of a certified agricultural product (including flowers and processed products) OR dairy, pollen, unprocessed beeswax, propolis, royal jelly, raw sheared wool, livestock meats, poultry meats, rabbit meats, and fish, including shellfish that is produced under controlled conditions in waters located in California.

Farm Name: _____

Member Name: _____

Please list your Humboldt County Certified Producer Certificate (CPC) number if you are selling any part of your product as "Certified Ag" (ex: 22-123): _____

Please list your Production Site(s) address/location:

I will be selling the following non-certifiable products this season (product name/description):

Total Annual Production Amount (e.g. 200 chickens):

Processing: If any third-party processor is involved, please list the products that are processed, the processor, and the location they are processed: _____

_____ I am eligible for a Poultry Exemption: If providing poultry, no more than 20,000 units may be processed per year to qualify for this exemption. Animals under this exemption must be raised AND processed by you on site, be healthy at the time of slaughter, and only distributed in California state.

I have reviewed this affidavit and certify that the information provided is true and correct. I understand that violations of the certified market regulations may subject me to inspections, criminal and/or civil penalties, including fines per violation, and/or suspension or revocation of my privilege to sell at the NCGA certified farmers' markets. I have read and understand the NCGA Rules and Regulations and agree to abide by them, along with any other applicable USDA, CDFA, and Humboldt County Health Department regulations:

Signature _____ Date _____
