laura@northcoastgrowersassociation.org
- **Eddie Tanner, UC Cooperative Extension, Farm Advisor** ehtanner@ucanr.edu
- **UC Master Gardeners of Humboldt and Del Norte.** Mission: "To extend research-based knowledge and information on home horticulture, pest management and sustainable landscape practices to the residents of California."
<https://ucanr.edu/sites/hdnmastergardeners/>

- **Humboldt Permaculture Guild.** Workshops, resources, events, gatherings. Permaculture provides an accessible and empowering framework for individual and cultural change in the face of environmental challenges. Our focus is on resiliency, adaptation, basic needs fulfillment (food, water, shelter, community), natural patterns/systems/relationships, and providing models for others to follow. <https://humboldtpermaculture.com>

Financial / Business

- **North Coast Small Business Development Center (NCSBDC).** No cost professional business advising in marketing, finance, accessing capital and more. Eureka and online. (707) 445-9720 <https://www.northcoastsbdc.org/>

Financial / Business/ Farming/ Tech

- **Community Alliance with Family Farmers (CAFF).** CAFF's mission is to build sustainable food and farming systems through policy advocacy and on-the-ground programs that create more resilient family farms, communities and ecosystems. Ecological farming, tech hub, food safety, organic certification, financial resource directory and more. Statewide and local. Michelle Wyler michelle@caff.org
 - **Farmer Funding Database,** The funding opportunities database allows you to easily see when grants are open for application, which on-farm activities or subjects they fund, paperwork needed for application, and more. <https://caff.org/funding-database/> or
 - **Base de datos de oportunidades de financiación para agricultores.** La base de datos de oportunidades de financiamiento le permite ver fácilmente cuándo están abiertas las solicitudes de subvenciones, qué actividades o temas en la granja financian, el papeleo necesario para la solicitud y más. <https://caff.org/financiacion/>

Financial Resources for Farm Resource Conservation Practices

- **Humboldt County Resource Conservation District (HCRCD).** The mission of the Humboldt County Resource Conservation District (HCRCD) is to assist private and public landowners in the planning, design, and implementation of soil, water, and forest resource conservation practices to improve and enhance natural and working lands in Humboldt County.
 - NCGA's close partners at The Humboldt County Resource Conservation District (HCRCD) are inviting agricultural land managers who are interested in conservation, soil health, and carbon sequestration to apply to receive **no-cost technical assistance with on-farm planning at no cost.** Plans can be used to seek funding for implementation of recommended practices. Eureka. 707-442-6058 Ext. 5 <https://humboldtrcd.org/> **Doreen Hansen** doreen@hcrd.org, Jake Taulbee <jake@hcrd.org>

- **Natural Resources Conservation Services.** NRCS provides America's farmers and ranchers with financial and technical assistance to voluntarily put conservation on the ground, not only helping the environment but agricultural operations, too. Nation-wide. Eureka: Todd Golder todd.golder@usda.gov

Lending. Land Access. Lease/ agreement-building services, Courses and more.

California FarmLink works to create an inclusive farm and food economy with equitable access to opportunity for farmers and fishers. Statewide. Liya Schwartzman liya@cafarmlink.org <https://www.californiafarmlink.org/>
