

Zero Waste Exemption Request Form

Thank you for helping us reduce our carbon footprint and environmental impact by moving towards zero waste. As farmers and makers, we have an opportunity to be leaders in our community in plastic reduction, and we thank you for your efforts.

Instructions:

If you need clarity on the current Zero Waste Program Standards or have a question about a particular product and its compliance, please reach out to NCGA staff to be put in touch with the staff liaison for Zero Waste. This staff member will review your question and interpret the compliance of your item(s). If you disagree with the interpretation or would like to request an exemption then please submit this form to the board of directors. The board will review your request at the next board meeting and get back to you. Please hand this form in to any staff member or board member or email it to:
